LIVE THE RED SEA WAY

Set along Saudi Arabia's Red Sea coast in King Abdullah Economic City (KAEC), Soleya is a new benchmark for tranquil coastal living.

Developed by Al Tahaluf Real Estate, this first-of-its-kind residential enclave offers 340 resort-style villas inspired by nature, family, and balance, thoughtfully crafted for those who seek serenity without compromise.

Soleya offers a modern interpretation of Tropical Modernism with open spaces, natural textures, and homes designed to flow effortlessly with the rhythm of the sea.

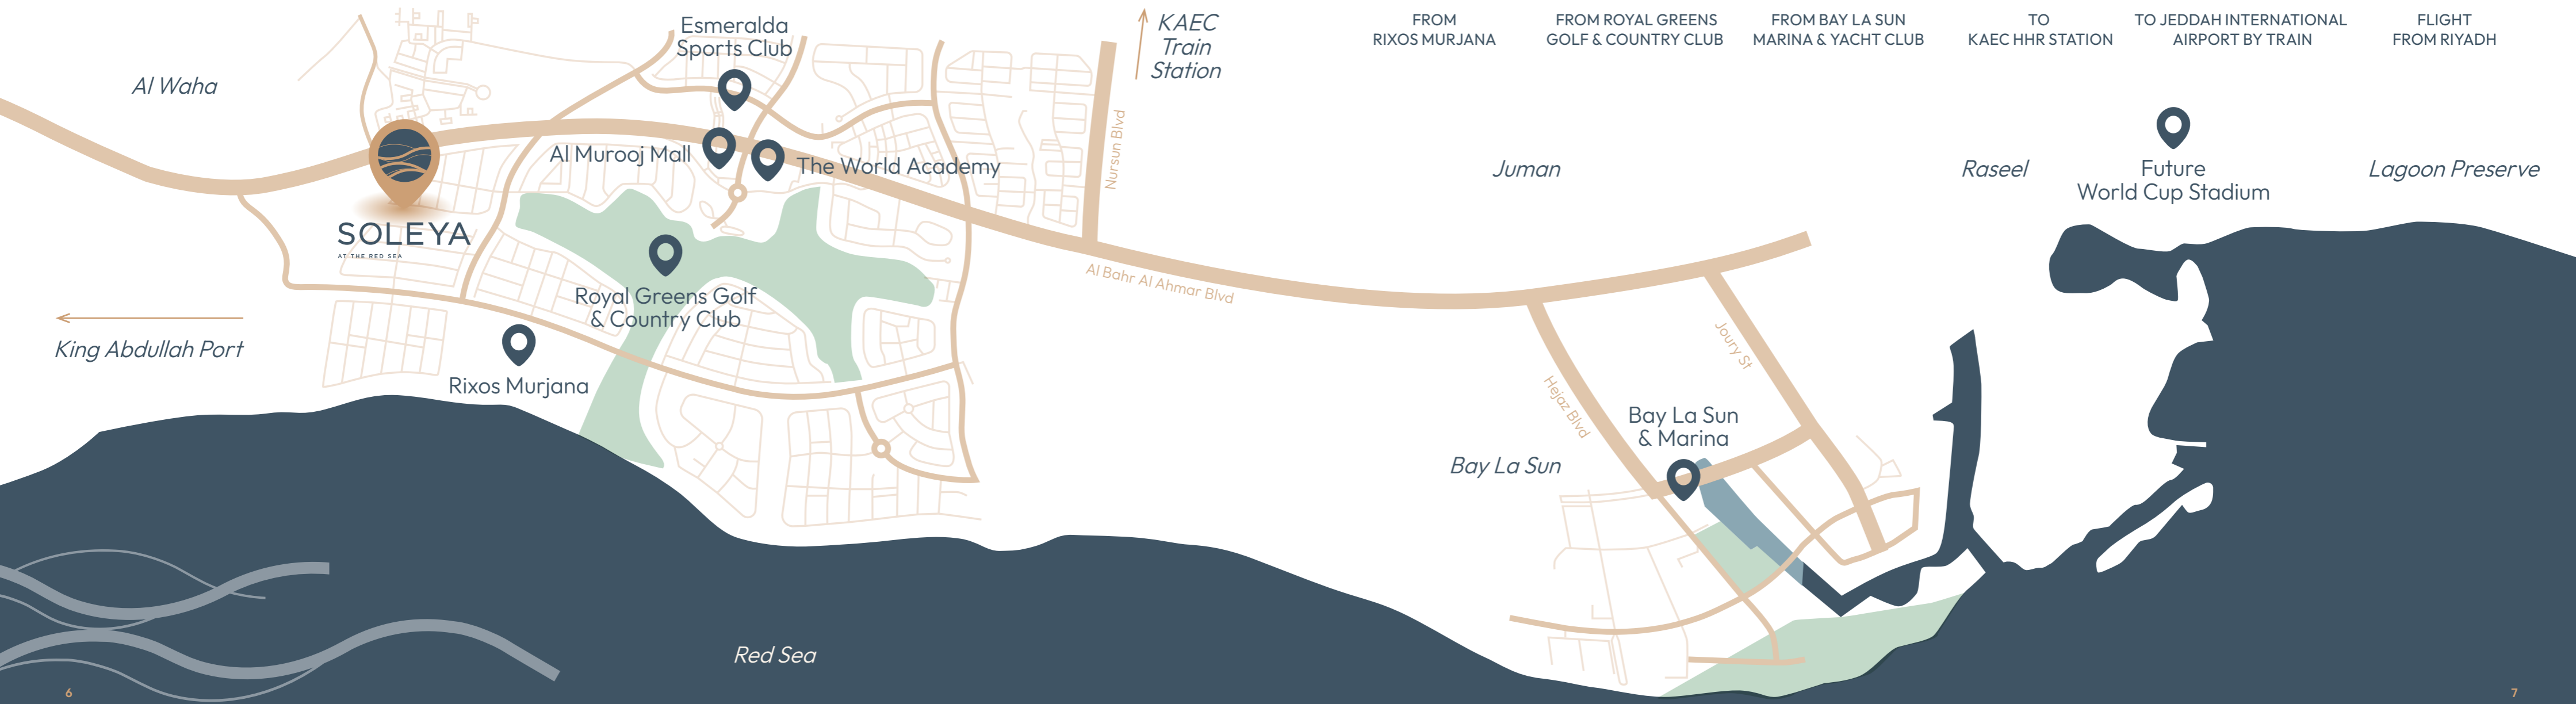

Master-planned within KAEC, a visionary city developed by Emaar in partnership with Saudi Arabia's Public Investment Fund, Soleya combines the confidence of world-class infrastructure with the intimacy of a private retreat, all within a one-hour train ride of Jeddah, Makkah, and Medinah.

A LIFESTYLE SHAPED BY THE SEA

Life at Soleya flows effortlessly
between recreation and relaxation.

PERFECTLY PLACED ON THE RED SEA

ROYAL GREENS GOLF & COUNTRY CLUB

At your doorstep lies the award-winning Royal Greens Golf & Country Club, offering championship golf, fine dining, wellness, and vibrant community experiences.

ROYAL GREENS GOLF & COUNTRY CLUB

Residents enjoy complimentary membership to the exclusive Country Club, with access to world-class facilities, a state-of-the-art gym and spa, exceptional restaurants, and private beach amenities.

LIFE BY THE RED SEA

Just moments from Soleyá, the Red Sea's crystal shores offer a world of leisure and relaxation. From private stretches of golden sand to exhilarating water sports and sunset strolls by the sea, this is coastal living at its finest.

THE KINGDOM'S FASTEST CONNECTION

Perfectly placed between city life, faith, and the sea, Soleya offers effortless access to Saudi Arabia's most important destinations. Within an hour of Jeddah and the Holy Cities, its location in King Abdullah Economic City makes it ideal for both weekend escapes and permanent coastal living.

At the heart of this accessibility lies the Haramain High-Speed Rail, the Kingdom's flagship transport network, connecting Soleya to Jeddah, Makkah, and Medinah in record time. Whether arriving by air, road, or rail, every journey to Soleya is defined by comfort and ease.

TRAVEL TIMES

From your Red Sea home, **faith, family, and freedom of movement** are always within reach, allowing you to live connected to what matters most, while feeling a world away.

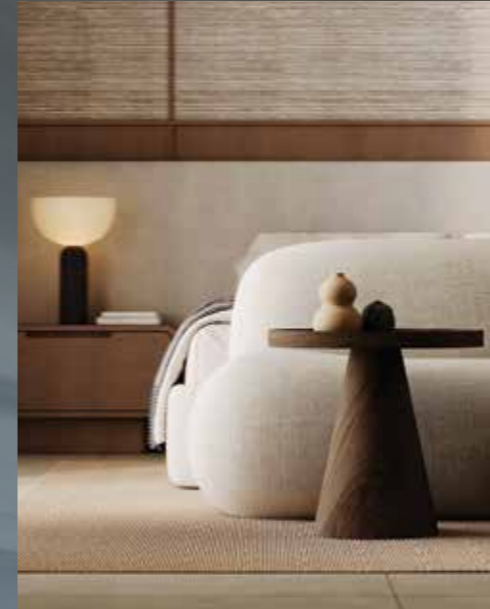

A COLLECTION OF COASTAL HOMES CRAFTED FOR LIGHT, SEA AND SHADE

Each Soleya villa is a reflection of life on the Red Sea - a sanctuary of light, shade, and sea breeze. Designed around the principles of Tropical Modernism, these homes blend natural materials, calm tones, and open spaces to create a seamless connection between indoors and out.

340  RESIDENTIAL UNITS

LOT SIZES FROM **679** TO **1,480**  SQM

The development features **340 residential units**, thoughtfully designed with lot sizes ranging from **679 sqm to 1,480 sqm**, offering versatile layouts to suit every lifestyle and family size.

Every detail has been thoughtfully considered, from the flow of sunlight across the living areas to the balance of privacy and openness throughout. Rooted in warmth and simplicity, the villas celebrate family, craftsmanship, and coastal harmony, offering a choice of three distinct designs: **Luz**, **Mar** and **Sombra** - each inspired by a different facet of Red Sea living.

LUZ

Where sunlight
and space define
every moment.

Bathed in sunlight and surrounded by nature, the Luz Villa celebrates openness, warmth, and connection. Its expansive windows and flowing interiors create a constant dialogue between indoors and out - where natural light becomes part of the architecture itself.

Designed for effortless family living, Luz offers airy communal spaces that encourage gathering, dining, and unwinding together, framed by a private garden, shaded terrace, and pool.

Every detail reflects harmony and ease, from the refined materials to the calming, contemporary palette inspired by the Red Sea's coastal light.
